LOCAL MENTION

Court Notes.

The summer session of the Superior Court of Apache county convened Tuesday morning and the larger part of the morning was taken up in securing a jury to try the case of the State of Arizona vs. Luis Sandoval charged with an assault with a deadly weapon upon the person of Marcos Baca. The case was turned over to the jury Wednesday, they returned a verdict of guilty. He was given a suspended sentence of three years.

The bootlegging case against John McCollough was then taken up and after the empaneling of the jury and hearing a part of the evidence and upon reconvening of court this a. m. he plead guilty to the charge, he was placed under a bond until September 1st, when sentence will be passed on him.

The court is now busy with some civil cases. There are other jury cases yet to be heard, but as it is our time for going to press we will have to let them go over until next week.

Among those whom we have noted attending court from the various towns are: W. I. Burk, Warren Tenney, jr., of Alpine; John Martin of Nutrioso; W. B. Eagar, Henry Harless, Edmond Nelson, John P. Rothlisberger, Fred Hoffman, Orson Bigelow of Eagar; Henry Marble, John Rothlisberger of Vernon; John Coleman, Jose Baca and others from Springerville.

C. R. Fillerup Farm Advisor and Prof Parke were in the city yesterday and gave canning demonstrations at the Academy and held a meeting in the evening where they lectured with illustrations on canning and showing pictures of those who had won prizes by canning etc.

Mrs. Josephine Schuster, accompanied by her sons Eddie and Lloyd and daughter Marguerite left this morning for Los Angeles Calif., where the children will attend school for the winter. Eddie will enter the Los Angeles Business College and follow out a business course.

A party consisting of about forty persons left last Monday evening for the Mal Pais ranch where they enjoyed a barbecue. Most of the party remained all night but others returned during the early hours of morning.

House Work is a Burden.

Woman's lot is a weary one at best. But with backache and other distressing kidney ills life indeed becomes a burden. Doan's Kidney Pills have made life brighter for many Arizona women. Read what Mrs. Matt Moynahan, 138 Adonis Ave., (stet) says: "I was suffering with weakness of my back, which was caused by disordered kidneys. My housework which required stooping was especially hard and the stooping always aggravated the trouble. I just felt miserable. I had heard of Doan's Kidney Pills and took them. One box removed the trouble. Doan's Kidney Pills are fine and I do not hesitate to advise anyone ailing with a bad back or disordered kidneys to try them." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Moynahan had. Foster-Milburn Co., Props., Buffalo, N. Y.

MY MESSAGE TO THE KAISER.

By D. B. BACA

Oh you Dictatorial Lucifer! Master of peculiar characteristics full wonders!

How much longer is your ferocious symbol going to attract the attention of the world of justice?

Tell us, is your God still away from your autocratic government, your tyranny, oppression, serfdom which we cannot visualize or bear.

How many of our dear sons must be victims of torture, punishment, barbarism and misery that your fruitful, sinful, roguish mind can maliciously invent?

Oh you lamentable, unmeaning, imperious, irresistible, unmerciful and incurable notorious Kaiser! Hydrophobia is curable—the mad dog never. The case of the animal is hopeless. He does not run amuck until the virus has driven him perfectly insane. His victims can be saved, if treated at a sufficiently early stage of their infection. The governing classes under your obscene, filthy control are so permeated with poisonous ambitions, so fully convinced of their merit to conquer and dominate the whole world, that we must smash the entire menacing junker system, head and limbs, or ever after live in trembling.

Oh Heavens, my good Lord! My vision, delirium of my dream! Pardon me you detestful Kaiser with your Lords but I had a carload of thoughts passing through my mind while sound asleep as follows: I dreamed myself insulted, flogged, violated, and outraged in a most inhuman and savage manner and unlawfully imprisoned in a jail at the far desolated regions and deserts of wild Africa! (something frightful) under your wretched miserable monarchical reign! (something terrible) My dear wife and five adoring little children left behind destitute! (something miserable) Oh you dastard inhuman brute, evil spirit, profane, usurper, despot, felon, satan Kaiser! But alas! there came a revelation to save me going on a truce or disaster, before my realization, a righteous redressing thought! by sheer weight of bone and muscle, fortunately I got hold of your discreditable peasonal manhood to meet me face to face in broad day light in front of Solomon Barth Hotel without my coat and my gunlets on (something great).

Oh you boy! Famous Pugilists and St. Johns prize-fighters' records became threatening relics. I swear I could not swallow all of you at once but I was ravenously and seriously devouring your ill-natured offensive face at some velocity. I could plainly see your noxious blood in depletion streaming and flying a thousand different courses, ferociously exhausting that menacing piece of humanity in torrents. I made the balance stride over a famous highway (robbery) at some noticeable double jumps—muy pronto.

Oh my, what a noble and creditable deed! What a wonderful piece of satisfaction! Saving millions of mothers from suffering

and mourning!

When I found myself awake must confess had entirely disappeared you Mr. Kaiser from the earth and the sight of the human race.

Now Mr. Kaiser, in the name of suffering Jesus and Holy Moses; in the name of peace, liberty, humanity, christianity; in the name of any thing that is glorious and good, tell me who are you anyhow, are you the proper legal supreme representative of the devil or are you the devil himself?

I do not know who you are or where you came from but you are not going to heaven. We call you "The Kaiser" for short, your real true name could only be told by packing a good size dictionary. You know or at least you ought to know that you are going to die surely, what then, are you going to do with all your resourceful stolen treasures? They will be far below par. You cannot take any money to hell. Again, Mr. Kaiser, do you get my message right. I am not plain enough to you pouty rascal with your degenerated plague. You can "live and let live" if you try.

Not being an observationalistic creature I am at a complete loss to conceive why you try to control the world and disable and annihilate the weaker by means of your atrocities, pernicious and disgusted diplomacy.

I regard your obedient tools and dupes and the masses of your entire Empire as only a poor bunch of unfortunates, rather than voluntary enemies. They know they are at your mercy and if they seem to subscribe to the corrupt doctrines of your intrigue perfidity and insolence, it is because they could not escape being bitten with the rotten theories you advocate.

Your demoralized, Kaiserdom also consists of dictating and ruling your deplorable deceptive dupes according to their merits of your will in crumbs, destroying happy homes, securing and attaching unlearned cheap hungry editors and publishers at your dangerous disposal. What a wonderful heart! What a wonderful conscience! What a powerful and shameful scoundrel! Change your ways and "your" entire Empire will change accordingly for the sake of humanity.

Mr. and Mrs. Fred T. Colter are in the city this week visiting among friends.
